

Smoky Mountain Christian Camp

Upcoming Schedule of Events

February 2011 Newsletter

Here we are a month into 2011 already. We have some upcoming events. Mostly summer camp is right around the corner, but we also have an event this month that will be a great event for teenagers. You can also go to our web site to see what we have going on. Hope you will keep us in your plans as you schedule your activities for 2011.

30 Hour Famine and Worship Night

February 25-27

This event will be Friday thru Sunday. Friday night we will have a meal (the last one until Sunday for those participating in the famine). We will follow that up with concerts and worship that include John Pryor, Taylor Brown, and Rachel Williams. Those just wanting to stay for the worship night can go home late Friday or stay til Saturday morning. Those staying for the famine will stay and travel to a few places to do service projects. This event is in conjunction with world vision. You can view more information about that at www.30hourfamine.org. Please email or call me to let me know your plans to attend so I can prepare accordingly. Cost for the entire weekend is \$25; \$15 if you are just staying for worship night.

Fundraising and Board Meeting

February thru May

Thursday, March 10 is our next camp board meeting. It will be at 7:30 at West Towne Christian Church. The big thing we are talking about all spring is the building of the gym over the basketball court. In February Woodlawn Christian Church will be giving us a missions offering. We still have quite a bit of raising of funds to do. Remember that everything given extra by churches and individuals will be doubled and even tripled by the giving of one matching gift donor and by the church of Woodlawn. I will be making my way around to as many churches as possible this spring to both raise the funds for this project and promote summer camp.

Event for Junior High and Parents

June 1-5

Ron Bull from West Towne is trying to create this event that will help Middle School kids have an event to remember with their parents before they get into high school and the craziness that comes with that. We would love to see what interest we have from the area parents and youth ministers. The idea is to work on some service projects together and then do some activities that will allow parents and their children to intermix. Then we will have specialized classes for parenting and for children becoming young adults. The details are still being worked on and there will be more to come; but feel free to respond with your interest so I can have an idea on what exactly the interest is. Email me at clarkbnj9@aol.com
