

## Welcome to Smoky Mountain Christian Camp

Dear Friends of the Camp,

Thanks for opening the email or snail mail; whichever. I hope to make it informative and entertaining. It will probably be more informative than entertaining. But thanks for opening to view the info, and we appreciate the support and prayers.

### Reminders

There are several things to remind you of. We have a camp board meeting coming up really soon. It will be at West Towne Christian Church at 7:30 p.m. on September 9. Second reminder: I haven't updated the website lately, which I need to do, but remember to go check out pictures and videos of all the weeks of camp on our facebook page. [FACEBOOK](#) Reminder number 3: You can set up to pay automatically through paypal on a monthly basis. That is a fast and easy way to make your donation. [DONATION](#)

### Needs

There are certainly ways you can help the camp besides giving us money. You can let me know when you can be available to volunteer for a camp week next summer. We could use more adult leaders at several of the weeks. You can get your church to have me come out and speak about the camp. I recently stopped preaching, which I was doing permanently at a local church, in order that I might get around to our supporting churches on Sunday mornings. We could use more tables and chairs. We could always use work groups.

### Events

The last weekend of September is our annual Ladies Retreat. It starts on Friday evening and goes through Saturday after lunch. I'll try to have more information on the web site about that retreat as soon as possible. We have had a lot of retreats scheduled this fall and I believe several more are being scheduled. Please consider using our facilities for your youth groups and church events. Besides those events I will be working hard to get next summer's schedule set and begin helping the deans work to making next year's weeks of camp the best they have ever been.
